December 2009 Newsletter

Dear Dancers and Dance Parents

I would like to take this opportunity to welcome all new students to Studio of Motion. I trust that you will all be very happy. Just a reminder for all newly registered students to please pay the registration fee in order to qualify for your discount.

For all prospective students please remember to register now to qualify for the early bird discounts. When registering please make sure that you receive feedback on your registration. If you do not receive any feedback please contact me, in case the registration form did not go through. Register at www.studioofmotion.co.za or phone me to complete your registration over the phone.

The Waterkloof Studio building project is well on its way. We are creating a comfortable dance environment for all dancers and Pilates students. The studio will be fully equipped with wooden floors, mirrors, and barres, as well as a lovely waiting area where parents can help themselves to tea and coffee while they wait.

The Centurion studio's location has been confirmed and will be held in a large venue on the premises of Laerskool Bakenkop, which is easy to access with plenty of parking too.

I am also very proud to say that Studio of Motion will be working in conjunction with Ferdinand from FAD Creations. Please feel free to visit their website for more information on what they do www.fadcreations.co.za

The Studio's dance classes will start, once the schools have started, on 13 January 2010. Please feel free to visit our Facebook page, Twitter page, and the studio's Website for more information. The Studio also has a Google calendar that I would like to share with any parents or students that want to keep up to date about the studio events. Please e-mail me if you would like to be synced with Studio of Motion's calendar, and I will invite you.

I hope that you all have a Merry Christmas and a Happy New Year. If you are going away this holiday please travel safely.

Kind Regards,

Megan
