

February 2010 Newsletter

Dear Dancers and Dance Parents

Welcome to a new month. The studio timetable has now been finalised and I would like to thank you for your patience while sorting it out.

During the next few months to come the studio and dancers will be preparing for festivals as we will be partaking in the SADI Dance Awards during the month of May.

The teachers and I are very excited for the SADI dance awards in May and are sure that the dancers are too. We will be practicing very hard to make sure that the students are prepared for the awards; I know they will do excellently! Below I have outlined more information about the awards as well as the entry fees.

Solo's and d/t/q's

Only selected students will be allowed to dance in studio solos, duets, trios or quartets (d/t/q's). Students that are interested in taking part in one of these items must please contact me as soon as possible to make sure that they get entered into the festival. Students may require extra choreography classes for these items. These choreography classes are charged at R120p/h. Please book in advance and all extra classes will take place at studio 1 - Waterkloof, unless otherwise arranged.

Clothing Bank

For the clothing bank to be a success, the studio needs the help of the students. Please will all parents and students consider donating or lending their unused dance wear to the clothing bank for other dancers to rent. We have already received donations which can be rented out for the upcoming festivals. Please contact me for further information on the clothing bank.

Thank you for reading this newsletter. If you have any questions about SADI please contact me.

Kind Regards,
Megan
