March 2010 Newsletter

Dear Dancers and Dance Parents

I would like to thank you for your participation in the collection of the SADI entry fees. It is very important that the fees are paid in order for your children to be able to take part in the competition.

There are still a few outstanding SADI fees and I would like to ask parents to please pay these before Wednesday 10th March. Students' that SADI fees are not paid will not be permitted to take part in the competition. If there are any problems as far as payment of these fees is concerned, please let me know as soon as possible.

Preparation for the competitions is going very well. Selected groups will also be taking part in The South African Talent Championship as well as selected solos and d/t/q's.

South African Talent Championships (SATCH)

Date: 30 April – 2 May

Entry Closing Date: 12 March 2010 (This is the latest possible date. Please let me know if there are any problems or questions regarding SATCH)

Fees: Differ according to the amount of students in each group (please contact Me if you are unsure about the fees – they have been handed out in class already)

Solos and d/t/q's (for both SADI and SATCH)

Students are now aware whether or not they will be taking part in solos and d/t/q's. Please keep in mind that all of these students must arrange their own costumes for these events. There are some costumes for hire in the clothing bank if students are interested. All costumes must please be brought to class to be approved by the teacher concerned.

Remember that, if required, choreography classes are charged at R120p/h. This fee must be paid into the studio's account before the class takes place.

Dance Classes

Please let us know as soon as possible if you will not be attending a class, if possible at least the day before. Class attendance is very important in order to be able to take part in the competitions.

I would like to also notify all parents that it is no longer permitted for people to sit in and watch during classes. Please will all students dress in the appropriate clothing for practice as well as have all loose hair fastened out of faces. If you are unsure about the suitable clothing for practices please contact me.

Festival and Competition clothing

We would like to remind you that you will be notified of clothing prices by 15 March and must please pay them into the studio account by 1 April. Your cooperation in the payment of the clothes by the due date will be greatly appreciated as clothing needs to be made and paid for before the competitions at the end of April and May. This is a very short time to have the clothing made, so no late payments or orders will be accepted.

Studio Accounts

Please forgive us for the late accounts this month as we are busy changing the studio's accounting system. Due to the new accounting system I would please like to ask you to check your accounts and competition entries to make sure that nothing slipped through the system. There should be no problems but I would just like to be 100% sure.

Thank you for reading this newsletter. If you have any questions please contact me.

Kind Regards,
Megan
