

September 2010 Newsletter

Dear Dancers and Dance Parents.

Examination work is going well. I know the end of the year is a tough time for the dancer's as they don't just have dancing exams, but school and university exams as well. I would however still like to ask all dancers to take 30 minutes out of each day to practice their work – this will help them with stress levels during the exams at the end of the year as they will already have a good grasp on their work.

Please also make sure that all dancers bring their dance books to each class they attend.

Pre-Exam

The pre-exam is an assessment that is performed by the studio in order to assess whether or not students are ready for the examinations. The pre-exam is compulsory for all students taking part in the examinations. If a student fails the pre-exam he/she will not be allowed to take part in the examination, even if the exam fees have been paid.
